

Announcement

We generate a lot of waste hardly realize their ASSET Value. **AARAMBH**, a student body from IIT Kharagpur in association with **GOONJ** under its “waste paper campaign” tries to tap those few waste papers that we throw off. Every semester AARAMBH will be collecting used ED sheets that have been used throughout the semester in various courses. A used ED sheet could serve as a Braille template for an underprivileged blind child.

We request you to be a part of this noble campaign by donating your used ED sheets at the end of the semester. So, do not throw away your used ED sheets, AARAMBH team will be collecting them from you. It is a very sincere request from AARAMBH team.

Thank you,

AARAMBH Team
