

Bitwise Scholarship

Computer Science Department Society would provide funding to B.Tech Students (students who don't get any contingency) for participating in conferences or programming contest within India with prior approval from guide/faculty adviser as well as department society faculty adviser will be provided with the registration fee not more than Rs. 5000/-. The registration fee will be provided if the participant contributes something (in terms of paper/poster) to the conference. The registration fee will be only provided after the participation certificate is furnished by the respective students. The total money per year which is initially set aside for this purpose is Rs. 50,000/-. In case of more applicants than fund, Dip Society faculty adviser would have the discretionary power. The amount of money will be reviewed on year by year basis.

To be submitted.

1. Permission Form (see below)
2. Registration Fees Payment receipt
3. Participation certificate
4. Receipt upon receiving the scholarship.

To,
The faculty Adviser,
Computer Science and Engineering Department Society,
IIT Kharagpur.

Date :

Dear Sir,

I _____ would like to attend the conference/programming contest
_____.

< two lines about the conference/ workshop you want to attend >

<Your involvement (paper/poster accepted or selected through some competition)>

I have arranged for my funding for travel and local stay during the conference from other source.

I hereby request you to provide me the registration fee (Rs.) of the conference/ programming contest.

Regards
