

Class Project

Each group should submit their project file containing all hard copies of their project documents on the following dates for periodic evaluation. This was announced in the class on February 16th, 2004.

05/03/2004

25/03/2004

10/04/2004

The project deliverables, namely, SRS, SDD and Code need not be included in the file. However, it should contain all other project documents like ISPP, ISPIN, MS Project MPP hardcopy, Defect Reports, Audit Reports, Process Metrics, Traceability Matrix, Final Investigation Report, etc.

The project deliverables should be submitted following the time schedule mentioned in the ISPP.
