Evaluation of Students in the Course: Electronic Commerce Technology (IT60104)

Mid-sem (30%)
End-Sem (50%)
Teacher's Assessment (20%)
- Attendance (6%)*
- Project Part – I (7%)
- Project Part – II (7%)

*<u>**For every two days of absence, one mark will be deducted. This can also lead to negative marks in attendance to be adjusted against other components of evaluation. A student will be de-registered if his/her attendance is found to be unsatisfactory.**</u>

<u>Details of Project</u>

Each team will have a maximum of two members. Part I of the project will involve building an E-Commerce system using some known model. Part II will involve bringing in novel ideas and handling of research issues on top of the work done in Part I.
