**Term Paper:** Go through the papers published in journals and conferences during the period 2007-2011 related to Information and System Security (Some of the popular journals and conferences are mentioned below). Identify a topic that interests you. Do a detailed literature survey for the selected topic. Highlight the solution you feel is the best. Suggest an improvement on this solution. Submit your term paper written in your **own language** (about 10 pages in length) **in pdf format** by email to your instructor at:

6. Problem definition
7. Existing solutions
8. New suggestion
9. Plan for implementation
10. References

**Term Paper Submission Deadline: 15<sup>th</sup> February, 2012.**

**It is important that you write your term paper and term project report in your own language. For any kind of plagiarism, zero mark will be awarded without any consideration. For any doubt on what is meant by plagiarism, meet your instructor before mid-sem examination.**
