*For every one day of absence, 0.5 mark will be deducted. This can also lead to negative marks in attendance to be adjusted against other components of evaluation.

If absence is due to ill-health or other genuine reason like mess duty, an application to that effect should be submitted with relevant documents on the next day the student attends class. Such requests will not be entertained later.

A student will be de-registered anytime if his/her attendance is found to be unsatisfactory. Once a student is de-registered, there will be no revoking of the de-registration decision.
