

**Evaluation of Students for the Course:
Enabling Technologies for Data Analytics (CS60022)**

Mid-sem (30%)

End-Sem (50%)

Teacher's Assessment (20%)

- Class Test 1 (5%) (On 30.01.2017)
- Surprise Quiz 1 (5%)
- Class Test 2 (5%) (On 30.03.2017)
- Surprise Quiz 2 (5%)

A student may be de-registered anytime if his/her attendance is found to be unsatisfactory (less than 75%). Once a student is de-registered, there will be no revoking of the de-registration decision.

If absence is due to ill-health or other genuine reason like mess duty, an application to that effect should be submitted with relevant documents on the next day the student attends class. Such requests will not be entertained later.
